

### English

In English this term we will be learning the story of Boudicca. We will then learn how to write formal letters. We will then be comparing the similarities and differences between the Celts and Romans and will write a setting description on this.

### Music

This term the children will perform individually and in a group. They will begin to compose music using more than one layer of sound and will identify instruments in their family.

### Maths

This term we will be focusing on the key understanding of place value. We will then be learning different methods of addition and subtraction as well as rounding up and down.

### Art / Design Technology

In art this term we will be making mosaics inspired by Roman styles. We will then be exploring Roman food that would have been eaten by poor Romans. Finally, we will design, make and evaluate Roman shields.

### History

To begin the year, we will be sequencing the events within the Roman Empire. We will then be researching the life of a Roman, specifically their daily life. Finally we will be exploring the Roman Emperors and their reigns.

*I am Warrior!*

*The Romans*

*Year 4 Autumn 1*

### Science:

This term, we will be exploring teeth. We will learn about the four main types of teeth. The difference between adult and milk teeth. We will then investigate the role of saliva. To conclude the topic we will be finding out what teeth are used for and how to look after them.

### Religious Education

This half term we are learning to understand the special relationship between Jews and God and the promises they make to each other.

### Computing

To begin the year, we will be exploring internet safety and what we can do to stay safe online. We will use this knowledge to help us when we use search engines to look for information. Then we will be learning how to manage our folders and files.

### Physical Education

During PE this term we will be practising our throwing and catching skill that are used during invasion games. We will also be developing our speed and stamina.

### French

This half term we are learning how to count from 0-30, how to say hello and goodbye and how to ask and respond to how 'how are you?'
